Any such modification of the requirements of this statement by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the planned development as contemplated by Section 11.11-3(c) of the Chicago Zoning Ordinance.

12. The co-applicants acknowledge that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. Copies of these standards may be obtained from the Department of Planning and Development.

13. The co-applicants acknowledge that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the property. Plans for all buildings and improvements on the property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("M.O.P.D.") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No approvals shall be granted pursuant to Section 11-11-3(b) of the Chicago Zoning Ordinance until the Director of M.O.P.D. has approved detailed construction drawings for each building or improvement.

14. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to revert the Property to Residential-Business Planned Development 815.
