# Public Safety Property Use Analysis

Policy & Government Oversight Committee Update

*presented by* Brian Smith, *Director*  performance management & innovation

city of minneapolis

#### Direction

Analyze current and future property use by the Police Department and unarmed public safety workers (including but not limited to 911, Behavioral Crisis Response Teams, Office of Violence Prevention, and Traffic Control).

The analysis will consider current and projected future staffing levels, current and projected program delivery outcomes, ongoing public input processes, and possible forthcoming changes, all with the goal of evaluating possible future property needs based on a comprehensive citywide approach to public safety programs to be presented to the Policy & Government Oversight Committee by December 5, 2022.
