Regulatory Updates

December 2022

Surveys:

Follow-Up: None

Pending:

- Received notification from TJC that they will be returning to the original schedule of triennial surveys. All applicable organizations due in 2020, but surveyed in 2021, will have their next triennial survey in 2023. This means Provident will have TJC triennial survey in 2023 not in 2024.
- Provident TJC Extension Survey for Mobile MRI-
 - QHR performed a Mock survey on October 4th. Report and action items sent October 9th to key Leaders
 - This survey will now be rolled into the triennial survey
- Provident TJC Extension Survey for in-patient Dialysis services
 - First in-patient dialysis on October 11th
 - TJC notified of new service, expect extension survey within 6 months
 - This survey will now be rolled into the triennial survey
