4. **MATTERS SUBMITTED IN ACCORDANCE WITH THE LAKE MICHIGAN AND CHICAGO LAKEFRONT PROTECTION ORDINANCE AND/OR THE CHICAGO ZONING ORDINANCE**
 1. A proposed resolution to adopt the Clark Street Crossroads corridor study, the study will provide a common, community-driven framework for future land use, development, mobility, and public space for the Clark Street corridor from Montrose Avenue to Foster Avenue in the Uptown community area. This corridor is located at a crossroads of multiple wards and neighborhoods with a diverse set of stakeholder perspectives and priorities. The study recommendations will reflect shared goals and provide clarity for Uptown, Ravenswood, and Andersonville stakeholders on a future roadmap. A draft of the study report was presented to the community and posted for public comment in January 2023, the final document presented here today has incorporated that feedback.
 2. A proposed resolution to adopt the Red Line Extension (RLE) Transit-Supportive Development Plan. The Chicago Transit Authority is pursuing the Red Line Extension Project, a 5.6-mile extension starting from the existing terminal at 95th/Dan Ryan and terminating at 130th Street, subject to the availability of funding. The RLE Transit-Supportive Development (TSD) Plan is a proactive effort to create a guide for future development in communities located near the RLE project area. Initiated in 2020, the TSD Plan was led by the CTA and in partnership with the City of Chicago's Department of Planning and Development. At the heart of the TSD Plan will be the community's vision for each of the station areas which seeks to promote

development without the displacement of existing residents and achieve community-focused benefits such as affordable housing, local economic development, and environmental sustainability.

3. A proposed Residential Business Planned Development submitted by City Pads, LLC, for the property generally located at 1523-47 N. Fremont Street. The applicant proposes to rezone the site from C3-5 (Commercial, Manufacturing and Employment District) to a B3-5 (Community Shopping District) prior to establishing the Residential Business Planned Development. The planned development will support the construction of a five-story, 75'-0" tall mixed-used apartment building containing 132 dwelling units, 29 accessory vehicular parking spaces, ground-floor retail, and 132 bicycle parking spaces. CHAIRMAN'S REPORT / INFORMATIONAL PRESENTATIONS

1. An informational presentation of the 18th and Peoria Development Plan. As part of an over \$1 billion investment in affordable housing announced in 2021, the City acquired an approximately six (6) acre site generally located on the north side of 18th Street and Peoria Street. The 18th & Peoria Development Framework Plan seeks to create a comprehensive vision of the site meets the residential and commercial needs of the community, fits within the existing context of the Pilsen neighborhood, and adds value to the property itself and surrounding areas. The goal of the Development Framework Plan is to guide redevelopment of the site with a multi-phased affordable housing development with supportive services and other ancillary uses such as public open space and commercial retail. The Draft Plan will be made available for 30 days to allow community feedback prior to adoption.
